## SUMMARY

Elevate your digital presence with a seasoned front-end web developer, armed with 5+ years of experience. I am deeply passionate about crafting visually stunning and responsive web designs, adopting a mobile-first approach. Proficient in HTML, CSS, and JavaScript, I specialize in building applications that exceed user expectations. With a solid grasp of front-end frameworks, particularly Angular and Svelte, I bring a dynamic and scalable edge to your projects. Fueled by self-motivation and a love for collaborative environments that value feedback, I thrive on constant growth and seek opportunities to enhance and expand my skill set. Let's collaborate to transform your digital landscape and deliver an unparalleled user experience.
